INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of **Peninsula Family Service**, which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors

Peninsula Family Service

December 10, 2014

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Peninsula Family Service**, as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards and the Combining Statements, and other schedules are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 10, 2014 on our consideration of **Peninsula Family Service**'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with the *Government Auditing Standards* in considering **Peninsula Family Service**'s internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the **Peninsula Family Service's** 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE A - GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Peninsula Family Service, (the **Organization**) strengthens the community by providing children, families and older adults the support and tools to realize their full potential and lead healthy, stable lives. They envision a community where opportunity, financial stability, and wellness are secured for all. They value respect, adaptability, teamwork, diversity, integrity and compassion. The organization was founded as a nonprofit public benefit corporation in April of 1950. As the Organization has grown, they changed their name from the original *Family Service Agency of San Mateo County* to the current name of **Peninsula Family Service** in June 2010, to include all the communities they serve. The Organization provides a wide variety of community service programs throughout the San Francisco Bay Area. The Organization is primarily publicly funded.

Major Programs

Child Development and Education Program – The Organization provides affordable developmental child care programs and centers at various locations throughout San Mateo County. Subsidized child care is available for qualified families.

Older Adults Program – The Organization serves as a partner in providing Transition of Care programs to Older Adults in the Community. Also provided are exercise and fitness programs, multilingual senior peer counseling, meals and other community services.

Financial Empowerment – The Organization provides employment services to help mature workers. These services include vocational counseling and goal planning; resume preparation, on-the-job training, and employment referrals. The program also provides loans to low-income parents to purchase reliable cars who do not have access to conventional credit to maintain their self-sufficiency and employment. This program also offers seminars and classes to help develop financial skills.

Basis of Accounting and Reporting

Accounting Method

The Organization maintains its accounting records on the accrual basis.

Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of fund accounting.

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Fund Accounting – (Continued)

Fund accounting is the procedure by which resources for the various programs are classified for accounting and reporting according to the activities and objectives specified by donors, grantors, officials, and governing boards. Separate accounts are maintained for each fund.

Fair Values of Financial Instruments

The following methods and assumptions were used to estimate the fair value of financial instruments:

Cash and Cash Equivalents: The carrying amount reported in the statement of financial position for cash and cash equivalents approximates its fair value.

Pledges Receivable: The carrying value of the Organization's asset approximates fair value based on the remaining payments and the maturity date.

Grants Receivable and Deferred Revenue: The carrying amounts of receivables and deferred revenue in the statement of financial position approximates fair value.

Notes Payable and Lease Obligation: The carrying value of the Organization's debt approximates fair value based on the remaining maturities or lease payments.

Fair Value Measurements - Investments:

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described below.

Level 1 – As further discussed under the Endowment Policy, the majority of the Organization's investments consist of equity transactions that are classified under Level 1 of the hierarchy. Level 1 assets are those where the inputs used for the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 – The Organization has no Level 2 assets at this time. Level 2 assets would include those where the inputs used for valuation are for assets traded in less active markets, quoted prices of similar assets, or inputs other than quoted prices that are observable.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Fair Value Measurements - Investments - (Continued):

Level 3 - Less than 3% of the Organization's investments fall under the Level 3 category. Level 3 assets are those where the inputs used for valuation are unobservable. These assets incorporate certain assumption and projections to determine fair value. These valuations include option pricing models and discounted cash flow models.

Because of the inherent uncertainty of valuation, estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed. Accordingly, the degree of judgment exercised by the Fund in determining fair value is greatest for securities categorized in Level 3.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Fund's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Fund uses prices and inputs that are current as of the measurement date, including during the periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many securities. This condition could cause a security to be reclassified to a lower level within the fair value hierarchy.

As further discussed in Note G, the Organization determines the fair value of investments by obtaining the market price per share or unit at year end.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, net assets, and revenue and expenses for the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of uninsured cash balances. The Organization places its cash deposits with high-credit, quality financial institutions. At times, balances in the Organization's cash accounts may exceed the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000, and the Security Investment Protection Corporation (SIPC) limit of \$500,000. The Organization has not experienced any losses in such accounts.

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Concentration of Revenue Sources

Of the total revenue sources of the Organization, there were two major sources that each individually contributed more than 10% of the total revenue for the year. The California Department of Education accounted for approximately 29% and the National Council on Aging accounted for approximately 11% of the total revenue of the Organization.

Cash and Cash Equivalents

Cash is defined as cash in demand deposit accounts as well as cash on hand. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and investments so near their maturity that the risk of changes in value due to changes in interest rates is negligible. These are generally investments with maturity dates within three months of their acquisition date. Not included as cash equivalents are funds restricted as to their use, regardless of liquidity or the maturity dates of investments.

Prepaid Expenses

Prepaid expense balances are calculated and adjusted monthly to properly charge funds in the period benefited.

Property and Equipment

As further discussed in Note H, property and equipment purchased with unrestricted funds are recorded at cost and depreciated using the straight-line method over the estimated useful lives of the related assets.

Restricted assets purchased with grantor funds which are expensed in the period acquired are recorded in the accompanying balance sheet as an asset, with a corresponding entry to net assets. In order to reflect the decrease in value over time of these assets, depreciation is charged directly to net assets annually. These assets are restricted to use only in the programs from which they were purchased.

Accrued Vacation and Sick Leave Benefits

Regular full time and part time employees are eligible to earn vacation time for each hour of paid time. Vacation benefits are earned and accumulated for each employee based on the type and length of employment. Upon termination of employment, accrued vacation is liquidated up to a maximum accrual level. Total accrued benefits at June 30, 2014 were approximately \$170,600.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Accrued Vacation and Sick Leave Benefits - (Continued)

Sick leave benefits are earned and accumulated for each employee. However, accumulated sick leave benefits are not recognized as liabilities of the organization, and no compensation is paid for accumulated sick leave upon termination of employment.

Revenue Recognition

Contributions and unconditional grants are recognized as support and revenues when they are received or unconditionally pledged. These contributions and gifts are shown as restricted support and revenues if they are subject to time or donor restrictions. Temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions when a stipulated time restriction ends, purpose restriction is accomplished, or both. However, temporarily restricted contributions and grants are reported as unrestricted support and revenues if the restriction is met in the same year that the gift is received.

Conditional contributions are not recorded as support and revenues until the conditions are met. Payments classified as exchange transactions (reciprocal transfers between two entities in which goods and services of equal value is exchanged) are not recorded as other support and revenue until allowable expenditures are incurred.

Donated Materials and Services

Donated materials and services (In-kind) are reflected as contributions in the accompanying statements at their fair market value. Such services would have been purchased if not provided by donation or require specialized skills and are provided by individuals possessing such specialized skills. The types of in-kind donated to the Organization include volunteer services, mileage, supplies, rent, utilities, and legal services. The total in-kind contributions for the year ended June 30, 2014 were approximately \$830,135.

Allocation of Expenses

The costs of operating the various programs and other activities have been summarized on a functional basis in the combining statement of activities. As further discussed in Note Q, certain costs have been allocated among the programs benefited based upon the Organization's cost allocation plan.

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Endowment Funds

The Endowment fund of the Organization consist of individual funds established to generate general operating support to the organization. Its endowment includes donor-restricted endowment funds and Board-Designated Endowment Funds (or Quasi endowment funds). Board-Designated Endowment Funds are funds functioning as an endowment that are established by the Board from Organization funds (not donor restricted), and will be retained and invested rather than expended. The Organization's quasi endowment fund exists to generate additional annual income to augment the Organization's operating budget.

As required by GAAP, net assets associated with an endowment fund, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees of Peninsula Family Service (the Organization) has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) The duration and preservation of the funds, (2) The purposes of the Organization and the donor-restricted endowment fund, (3) General economic conditions, (4) The possible effect of inflation and deflation, (5) The expected total return from income and the appreciation of investments, (6) Other resources of the Organization, and (7) The investment policies of the Organization.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Endowment Fund – (Continued)

- **A.** INVESTMENT OBJECTIVE: The investment objectives for the management of endowment assets are as follows:
 - **1.** To manage the contributions in a manner that will maximize the benefit to the Organization.
 - **2.** To achieve a total return from the investments sufficient to provide both a reasonable growth of the asset base and current income to support the programs of the Organization.
- **B.** ASSET ALLOCATION: The investment manager is directed to follow an asset allocation strategy that will be consistent with the objectives set forth in paragraph (A.) to include the following:
 - 1. Diversification that will include both common stock and fixed income investments:
 - **a.** Common stock investments: Diversification that will result in a portfolio of issues that represent a range of industry groups to spread investment risk over a broad base.
 - **b.** Fixed income investments: To include obligations of the U.S. Treasury, agencies of the U.S. government and investment grade corporate debt.
 - 2. The investments in equities and fixed income will be reviewed no less than at the end of each quarter and compared to the 65% equity and 35% fixed income benchmarks. Should either vary more than 5% from the benchmark upon review, the investments will be rebalanced unless otherwise directed by the committee with documentation explaining the rationale behind the decision.
- **C.** PROFESSIONAL MANAGEMENT: It shall be the policy of the Trust to utilize professional management services for the investment of the assets in the Fund. Furthermore when trustees choose to utilize mutual funds the investment selection will be left up to the mutual fund manager.
- **D.** PERFORMANCE EVALUTATION: Investment performance by the manager will be measured over periods of the most recent twelve (12), thirty-six (36) and sixty (60) months on the calendar year basis.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE A – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Endowment Fund – (Continued)

Total return performance comparisons for each Fund will be made against appropriate indexes. It is the policy of the Trustees that all investment managers report their performance in writing every calendar quarter.

The Trustees may elect to use an independent performance evaluation service to ensure that the investment manager's performance is competitive with other managers who run endowment-type portfolios with similar investment objectives.

E. SPENDING POLICY: It is the policy of the Trustees to preserve the value of its endowment in real terms (i.e. adjusted for inflation) while providing funds to the Organization for operations. The Fund will contribute to operations at a minimum of 5% of the market value of the Fund's investments annually unless otherwise directed by the board. In addition, subject to Trustees' written approval, interest bearing loans may be made to the Organization.

It shall be the responsibility of the Trustees to periodically review the spending policy against the investment performance of the Fund and its total return to insure that adjustments are made when necessary to preserve the purchasing power of the endowment.

F. RESTRICTIONS: Since the primary role of the Trustees is to preserve the capital of the endowment, it is agreed that only those securities generally considered to be of high quality are to be acquired. As an endowment fund, the nature of the investment policy is to reduce volatility where possible. This should be done by maintaining an equity portfolio that is well diversified across industry groups, and a fixed income portfolio made up of obligations of creditworthy institutions. The Trustees acknowledge that the Fund assumes market risk by maintaining a portfolio of investments; however, high risk taking is not in the best interests of the Fund and should be avoided.

Mutual funds, selected by the Investment Manager that are deemed to be within the general intent of these guidelines are not subject to the specific restrictions listed elsewhere in this document.

The following are general restrictions placed on the Investment Manager by the Trustees. The Investment Manager may not:

1. acquire any security subject to any restriction on the sale thereof;

- **F.** RESTRICTIONS (Continued)
 - 2. write, acquire or sell any put or call options, or combination thereof, on the securities in the portfolio;
 - **3.** acquire any security on margin, or otherwise use borrowed funds for the acquisition of any security, or hypothecate any assets of the Fund without the express permission of the Trustees;
 - 4. knowingly sell any securities not owned by the Trust;
 - **5.** invest more than 5% of the total market value of the fund in the equities or bonds of one issuer;
 - 6. position more than 20% of the portfolio in any one industry group as defined by Standard & Poors. No more than 5% of the market value of the portfolio may be committed to any individual common stock. However, this restriction shall not apply to obligations of the U.S. Government;
 - 7. position more than 30% of the market value of the portfolio in securities of companies or governments of foreign origin. Equities of foreign companies should be in the form of American Depository Receipts (ADR's) or American Depository Shares (ADS's), and preferably, be listed on the New York Stock Exchange;
 - 8. acquire commodities contracts or similar futures obligations;
 - 9. acquire warrants, unless used in the acquisition of common stock;
 - **10.** acquire fixed income obligations rated lower than A or comparable level as defined by the leading statistical agencies of Moody's and Standard & Poor's; unless they are held within a bond mutual fund.
- **G.** POLICY REVIEW: The committee reviews this policy annually.

Income Taxes

The Organization is exempt from Federal and State income tax under Section 501 (c)(3) of the Internal Revenue Code, and Section 23701(d) of the State of California Revenue and Taxation Code.

Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Organization in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.

Summarized Information for 2013

The financial information for the year ended June 30, 2013, is presented for comparative purposes only, and is not intended to be a complete financial statement presentation. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2013, from which the summarized information was derived.

NOTE B - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are part of the net assets of the Organization resulting from contributions and other inflows of assets whose use by the Organization is limited by donor imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. At June 30, 2014, temporarily restricted net assets consisted of the following:

| Board Designated and Investment Earnings from Endowment | \$ 508,748 |
|---------------------------------------------------------|---------------|
| Restricted Property and Equipment | 9,739 |
| CDE - Renovation and Repair CRPM-2069 | 7,373 |

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE C - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets consist of the Endowment Fund established by the Board of Directors in 1985. The Organization will receive and place in this fund gifts restricted by the donor for endowment purposes. The Trustees of the Endowment currently approve the transfer of 1.25% of the total funds each quarter for distribution to the general fund.

The composition of the Organization's endowment fund by net asset class and a reconciliation of the beginning and ending balance of the Organization's endowment are as follows:

| | | Unres | tricted | | Temporarily Restricted | | Permanently Restricted | | Total |

NOTE G - INVESTMENTS

Securities held-to-maturity and available for sale:

Management determines the appropriate classification of debt securities at the time of purchase and reevaluates such designation as of each statement of financial position date. Debt securities are classified as held-to-maturity when the Agency has the positive intent and ability to hold the securities to maturity. The amortized cost of debt securities is adjusted for amortization of premiums and accretion of discounts to maturity computed under the effective interest method. Such amortization is included in investment income.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE G – INVESTMENTS – (Continued)

When the fair value of a debt security classified as held-to-maturity is different than its amortized cost, the Agency recognizes the fair value in the financial statements with the unrealized gains and losses reported in these financial statements under net realized and unrealized gain/losses on investments. Interest on securities classified as held-to-maturity is included in investment income.

Marketable equity securities and debt securities not classified as held-to-maturity are classified as available-for-sale. Available-for-sale securities are carried at fair value, with the unrealized gains and losses reported in these financial statements under net realized and unrealized gain/losses on investments. The amortized cost of debt securities in this category is adjusted for amortization of premiums and accretion of discounts to maturity computed under the effective interest method. Such amortization is included in investment income. When the fair value of a debt security classified as held-to-maturity or available-for-sale is different than its amortized cost, the Agency recognizes the fair value in the financial statements with the unrealized gains and losses reported in these financial statements under net realized and unrealized gain/losses on investments. Interest and dividends on securities classified as available-for-sale are included in investment income.

The investments of the Organization have been recorded at fair value at June 30, 2014, and have been categorized based upon a fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE G – INVESTMENTS – (Continued)

During the year ended June 30, 2014, available-for-sale securities were sold for total proceeds of \$580,146. The gross realized gains on these sales totaled \$108,299. For the purpose of determining gross realized gains, the cost of securities sold is based on specific identification. The <u>net unrealized holding gains</u> on securities of \$70,161 (which is the change between the above gross unrealized gain of \$203,529 and the prior year's gross unrealized gain of \$133,368) have been included under investment income in the statement of activities for the year ended June 30, 2014.

The following table presents additional information about Level 3 assets and liabilities measured at fair value. Both observable and unobservable inputs may be used to determine the fair value of positions that the Fund has classified within the Level 3 category. As a result, the unrealized gains and losses for assets and liabilities within the Level 3 category may include changes in fair value that were attributable to both observable (e.g., changes in market interest rates) and unobservable (e.g., changes in unobservable inputs).

Changes in Level 3 assets and liabilities measured at fair value for the year ended June 30, 2014 are as follows:

| | | | | | Change In | |

Total depreciation expense for the year ended June 30, 2014 was \$277,350. Of that amount \$275,883 was charged to expense and \$1,467 was deducted for restricted net assets.

NOTE I - ASSETS RESERVED FOR UNEMPLOYMENT CLAIMS

The Organization participates in the Joint Unemployment Compensation Trust, which administers and pays claims for unemployment compensation made by the Organization's former employees. Participating agencies are required to establish a reserve account based on actual claims experience and payroll size, against possible unemployment claims. The reserve is reduced by claims paid, its allocated share of trust operating expenses, and increased by the Organization's contributions and its share of allocated investment income. Stop loss insurance is provided to take care of major claims.

NOTE J - LINE OF CREDIT

The Organization had a revolving line of credit of \$1,275,000 with Boston Private Bank & Trust. The line of credit matured on September 30, 2014, the renewal is pending as of the date of this report. The line of credit is secured by a Deed of Trust. Interest is payable in monthly installments on the unpaid principal balance at .5 percentage points over the prime rate as published in the Wall Street Journal. The interest rate at June 30, 2014 was 3.25%. There was no balance due on the line of credit at June 30, 2014.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE K- DEFERRED REVENUE

At June 30, 2014, the Organization's deferred revenue consisted of the following:

| Child Care | \$ 181,560 |
|-----------------------|------------|
| Financial Empowerment | 66,840 |
| Older Adults | 75,007 |
| Operations | 2,082 |
| | \$ 325,489 |

NOTE L - CHILD CARE RESERVE

Child development contractors with the California Department of Education (CDE) are allowed, with prior approval, to maintain a reserve account from earned but unexpended child development contract funds. Transfers from a reserve account are considered restricted income for child development programs, but may be applied to any of the contracts that are eligible to contribute to that particular program type. The Organization maintains reserve accounts for Center-Based contracts. Funds for these contracts are deposited in an interest bearing account. The balance for the reserve account at June 30, 2014 totaled \$0.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE P - RETIREMENT PLAN

The Organization maintains a retirement plan available for its employees that allows participants to make self-directed, tax deferred investment contributions. The plan qualifies under the provisions of Section 403 (b) of the Internal Revenue Code of 1954, as amended. The Organization makes no contributions to the Plan.

NOTE Q - COST ALLOCATION PLAN

Peninsula Family Service updates its cost allocation plans annually or more frequently when changes are needed in program enrollment or other cost drivers. The cost allocation plan is reviewed by the Organization's auditors for compliance with applicable laws and regulations. The Organization obtains approval of the cost allocation plan form its Board of Directors. Its written cost allocation plan is on file in the main accounting office. The Organization applies several methods for allocating costs:

Direct Costs - Costs identified 100 per cent to a specific program are charged directly to that program.

Shared Direct Costs – Costs identified to specific multiple programs or activities are shared between the programs benefitting.

- Payroll costs are allocated using individual time sheets that report the actual time spent by employees in each program each day.
- Rent and utilities, and maintenance, are allocated using the square footage of building space occupied by each program, according to floor plans, and/or room measurements.
- Training costs for staff members are allocated to programs in proportion to the actual time employees spend working in those programs.
- IT and computer related expenses are allocated to the programs in proportion to the number of computers in use or assigned to each program.
- Audit, payroll processing fees, office supplies, copier maintenance, telephone, postage, and insurance costs are allocated to individual programs, based on the total expenses of each department as a percentage of total Organization expenses or the number of employees in the program.

Indirect Costs - Management, Accounting and Human Resources costs (Overhead Allocation) are pooled and then allocated to individual programs (less In-Kind expenses, depreciation and capital acquisitions) based on the percentage of each department's total expenses as a percentage of total Organization expenses.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2014 (With Comparative Totals for 2013)

NOTE R - TRANSFERS

Transfers represent the utilization of unrestricted funds to cover program restricted deficits and the transfer of current period income (under operation of agreement) from endowment to the general fund.

NOTE S - COMMITMENTS AND CONTINGENCIES

Commitments

The Organization conducts some of its operations on leased premises. Future obligations on non-cancelable leases are as follows:

| 2019 | | 7,200 | 765 | 7,965 |
| | \$_ | 470,800 | \$ 17,177 | \$ 487,977 |

Total rent expense for the year ended June 30, 2014 was \$ 241,520.

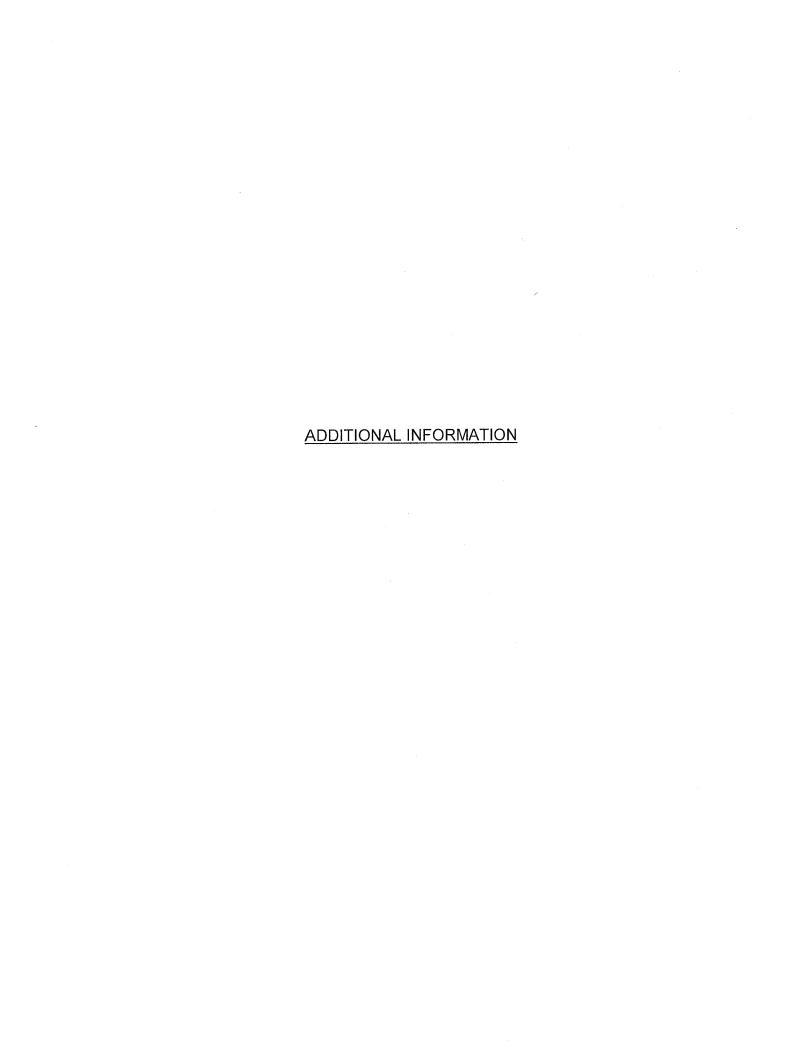

Contingencies

Grant awards require the fulfillment of certain conditions as set forth in the instruments of grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. The Organization's management is of the opinion that the organization has complied with the terms of all grants.

Various lawsuits, claims, and other contingent liabilities arise in the ordinary course of the Organization's activities. Management believes that any resulting liability will not materially effect the financial position or operations of the Organization.

NOTE T - SUBSEQUENT EVENTS

The Organization has evaluated their financial position and activities from the June 30, 2014 year end of this report through December 10, 2014 which is the date that the financial statements were available to be issued. No material subsequent event items that require recognition or disclosure were identified.

Board of Directors **Peninsula Family Service**San Mateo, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of **Peninsula Family Service**, which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 10, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered **Peninsula Family Service**'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Peninsula Family Service**'s internal control. Accordingly, we do not express an opinion on the effectiveness of **Peninsula Family Service**'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Peninsula Family Service**'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program; and Report on Internal Control Over Compliance Required by OMB Circular A-133

Independent Auditor's Report

December 10, 2014

Board of Directors

Peninsula Family Service
San Mateo, California

Report on Compliance for Each Major Federal Program

We have audited **Peninsula Family Service's** compliance with the types of compliance requirements described in the Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of **Peninsula Family Service**'s major federal programs for the year ended June 30, 2014. **Peninsula Family Service**'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of **Peninsula Family Service**'s major federal programs based on our audit of the type of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **Peninsula Family Service**'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

Report on Compliance for Each Major Federal Program; and Report on Internal Control Over Compliance Required by OMB Circular A-133

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of **Peninsula Family Service**'s compliance.

Opinion on Each Major Federal Program

In our opinion, **Peninsula Family Service** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control Over Compliance

The management of **Peninsula Family Service** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered **Peninsula Family Service**'s internal control over compliance with the types of requirements that could have a direct and material effect on a each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **Peninsula Family Service**'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material non compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Compliance for Each Major Federal Program; and Report on Internal Control Over Compliance Required by OMB Circular A-133

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
