

January 2022

*Moving along 2 — Resolve to use [Got Wheels!](#)*

Dear *Got Wheels!* member,

Happy 2022! Hope you had a wonderful holiday season. By now you must have made plans for the New Year. May we add a few more resolutions?

1. Remember that you're receiving this occasional letter as a member of *Got Wheels!*, the no-cost membership affordable transportation program of Peninsula Family Service. You and residents of 12 cities in north and coastside San Mateo County have up to 6 one-way rides a month at \$5 each way - from one point to another point - within those 12 cities and San Francisco International Airport. This means you can schedule health appointments, visit loved ones, go shopping, worship or simply get away without worrying about traffic, parking and other mobility challenges.
2. Note that *Got Wheels!* accepts both cash or credit payments.
3. Take care of your card. Sanitizers or lotion may affect the magnetic strip and cost you \$5 replacement fee.
4. If you've never used your card out of various concerns, please consider this testimonial from James H., a *Got Wheels!* member since 2020:

*"My wife and I are living a happy retired life in Half Moon Bay. We enjoy taking trips and as a result we need to drive to San Francisco International. A (regular) cab can cost over \$70 - one way! And on airport parking is \$36 per day. The *Got Wheels!* program is made for us: \$5 for a one-way ride to the airport - really!? Even with a tip (only fair), this is still the best buy by far. And you can sign up for free. Everyone eligible should be taking advantage of this wonderful service."*

We appreciate James' affirmation and invite you to share observation of your trips, perhaps compliment a driver for good service or make a recommendation to improve the program. Visit <https://www.peninsulafamilyservice.org/our-programs/older-adult-services/> for more information.

Thank you for joining *Got Wheels!*
